

Agri Resources Group Sustainability Bond 2021/2026 Update on Eligible Assets

Agri Resources Group leadership team is pleased to announce the inclusion of a new eligible project in Republic of Congo, which will be funded with the proceeds from Agri Resources Group Sustainability Bond 2021/2026.

The project for investment in the construction of cooling system in the region of Niari, falls under the eligible category Socioeconomic advancement and empowerment.

The installation of the new cooling system has begun within the company's concession in Moulende (close to Dolisie).

First of its kind in this region, the new facility will have the capacity to store up to 500 tonnes of green onion and other fresh vegetables. The site will cover the requirements for the company's production, as well as for local farmers wishing to partake in the Agri Resources Congo outsourcing programme.

The project was selected in accordance with Agri resources Group 'eligible assets selection procedure, outlined in [Agri Resources Group Sustainable Bond Framework](#).

The new project impact will contribute to **SDG Goal 2** (End hunger, achieve food security and improved nutrition and promote sustainable agriculture) targets:

2.1 By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round

2.3 By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment

The project's impact will be monitored according to the following KPI's

tonnes of fresh fruits and vegetables stored per year

% of fresh fruits and vegetables stored per year sourced from small holder producers

% of fresh fruits and vegetables sold on the local market
